Item 4. GRANT DELIBERATIONS DEBRIEF

- Council members agreed that it was helpful to come up with questions for the MCC BEFORE the deliberations so we would have answers to our questions at deliberations. This helped streamline the deliberations process.
- There was agreement to change the review order next year (poll to determine “yes” first).
- Jeff B raised a concern that the planned 2014 paperless rollout did not involve LCC involvement (beta testing, user acceptance testing, etc.). Jeff was asked to send a message to our MCC liaison asking if ACC can be of service by being involved in testing, offering suggestions for improvement, acceptance trials and training.

Item 5. Final Voting on 2015 Grant Allocations

The Council voted and approved a total of 19 grants being funded for a total of \$12,500 (on the condition that no appeals are received by December 15, the final date for reconsideration).

A copy of the 19 approved grantees’ names, project titles and award amounts will be a part of the January 2015 minutes.

- Jeff B offered, and Scott concurred, to be “on the same page” publicity starts with a press release.
